Any forecasts or price targets shown for Companies and/or financial instruments discussed in this Publication may not be achieved due to multiple risk factors including but not limited to market and sector volatility, corporate action, unavailability or inaccuracy of information despite diligent verification or the subsequent recognition that underlying assumptions made by MAINFIRST or other sources relied upon in the Publication were unfunded.

Basis of Valuation or Methodology

Any basis of valuation or methodology used to evaluate a financial instrument or Companies, or to set a price target for a financial instrument, is herewith adequately summarized. The so-called fair value is calculated from a combination of the valuation model applied (e.g. DCF, Sum-of-the-Parts Model, Peer Group Valuation). The different valuation methods are detailed in the Research Guidelines on the MAINFIRST website and can be found under [EQUITY RESEARCH APPROACH](#). Any changes in the methodology or basis of valuation used are included in the Publication.

Pricing of Financial Instruments

Unless otherwise noted, the financial instruments mentioned in this Publication are priced as of market close on the previous trading day. All other financial instruments mentioned in this Publication are summarized in the following table.
